

ECORS Invite Application  
For Windrock, Nov 5, 2011

Instructions:

1. All teams that are not already qualified MUST complete this application for consideration to receive an invite to the ECORS Windrock race, Nov 5, 2011. Print this application, fill it out, and mail it in.
2. Teams that are already qualified MUST fill out the Registration form NOT the Invite Application.
3. Fill out all information completely and correctly. Sign and date as required. Drivers AND Co-Drivers MUST sign and date the form(s). If Co-Drivers are out of state, etc., they may scan and e-mail the form or may sign/date the form during check-in race weekend. Registration cannot be completed until all drivers and co-drivers sign the appropriate paperwork.
4. In addition to the information required on the form, teams shall submit a narrative about the team, including pictures of rig and special specifications, that outlines team accomplishments, driver and co-drivers, special items that make the vehicle/team/driver stand out above anyone else, etc. This narrative should "sell" ECORS on your team. This will be the largest deciding factor to being invited to the Windrock race so please be thorough.
5. You will have an option to send in entry fee for the Windrock race or to select to utilize the application info, etc. for the Last Chance Qualifier. If Teams select to utilize this application for the LCQ (in the event they are not selected for the Main race), they must also submit separate payment for the LCQ entry fee. Only one payment will be accepted and utilized. If a team is selected for the Main Windrock race, the entry fee for the LCQ will NOT be utilized and will be returned to the team upon registration. If a team is NOT selected for the Main race and LCQ entry fee has been submitted, the LCQ entry fee will be accepted and the Main race entry fee will be returned to the team upon registration. If the LCQ option is not selected and LCQ entry fee is not submitted with this application and the team is NOT selected for the Main race, payment will be returned to the team via mail.
6. Once a payment has been deposited and cleared, the team has officially been invited to the respective race (Main or LCQ).
7. Teams that are interested in racing the LCQ for qualifying rather than filling out the Invite Application, they must fill out the LCQ entry form.
8. 100% of entry fee must be submitted with each application to be considered. If you have special arrangements, please make note on the application and clarify this with ECORS PRIOR to submitting the application(s).
9. All Invite Applications must be received no later than: October 1, 2011. All applications received after this date will be considered applications for the LCQ. Teams will be notified no later than October 6, 2011 if selected for the Main race or the LCQ.
10. Send all applications, payments, etc. to:

**\*\* YES / NO \*\*** Utilize this Invite Application for Last Chance Qualifier (only check if you wish to use this application for LCQ entry in the event Team is NOT selected for Main race). Circle YES to utilize this application. A **separate** LCQ entry fee **MUST** accompany this Application (if you are writing a check, write 2 separate checks).

**\*\*Compose a Narrative describing your Team, the drivers, and your accomplishments in the industry. "Sell" ECORS on your team and why choosing your team to race would help ECORS, the race, and the off road industry. This Narrative can include as little info to fit into a single paragraph or it can be so inclusive that it must be mailed via truck freight! Its all up to you and how you wish to present your team. Being concise and creative are highly suggested. This Narrative will have a majority of the emphasis on it when selecting teams to race.**

Additional Info:

- Entry fee for the Main race includes 2 nights of PRIMITIVE camping for the Driver and 2 Co-Drivers, trail use fee for 2 days (race day and 1 pre-run day), entry into the Main race, and gate entry for the Driver and 2 Co-Drivers.
- Any team members in addition to the Driver and 2 Co-Drivers must pay the gate entry fee, discounted 20%.
- Pre-running will be open 3 days prior to race day. Any teams wishing to pre-run more than 1 day must purchase additional trail use passes directly from Coal Creek OHV/Windrock Park.
- Any team members wishing to camp in addition to the first bulleted item above must coordinate this with Windrock Park/Coal Creek. If the Driver and Co-Driver wish to stay in site cabins or utilize RV hookups, coordinate that with Windrock Park directly. Driver and Co-drivers wishing to stay longer than 2 nights must coordinate this with Windrock Park and be responsible for any upgrades or additional fee.
- Pre-running will be CLOSED on Friday November 4, 2011 from 8am until Noon for the Last Chance Qualifier.
- Friday afternoon will be filled with the Driver's meeting and 4x4 related seminars to include: Shock Selection and Tuning, 4x4 Recovery, Outdoor First Aid, and Motorsports Photography and Videography
- Gate entry fees for additional team members, spouses, or spectators are valid all week/weekend. Arm bands will be given to allow for access in/out as necessary.
- Payouts will be posted on the ECORS website. Payouts are based on # of entrants.
